

Sales of Food – Fundraising

The following guidelines are provided as guidance for organizing and conducting fundraising activities in the school district. For purposes of this regulation, a school day is defined as 30 minutes before the beginning of school and 30 minutes at the end of school.

1. Sales of foods and beverages that meet the Smart Snacks Standards and sales of nonfood items (e.g., wrapping paper and apparel) are not limited under the Federal policy.
2. Fundraising activities that occur during non-school hours, on weekends, or at off-campus events are not limited under the Federal policy.
3. Fundraisers selling foods that are intended to be consumed outside the school day are not limited under the Federal policy.
4. A certain number of in-school fundraisers are exempt from the Smart Snacks Standards. North Dakota allows three exemptions per each individual school site per year with a duration of one day for each activity.
