

BUS CONDUCT REGULATIONS

The rules and regulations regarding student's conduct while riding the bus are posted on the Dickinson Public Schools website.

When a student behaves improperly on a bus, the bus driver shall document the incidents and report them to the Director of Transportation and the building principal. The principal will inform the parents immediately of the misconduct and request their cooperation in correcting the student's behavior. Students who become a serious disciplinary problem on the school bus may have their riding privileges suspended by the building principal. This suspension of riding privileges shall not exceed the balance of the school year. In such cases, the parents of the student involved become responsible for seeing that their student gets to and from school safely.
