

PARTICIPATION IN NON-SCHOOL SPONSORED ACTIVITIES

A middle/high school student who participates in school sponsored athletics/activities may participate in a non-school sport/activity during the same season. Such participation shall not conflict with school sponsored athletics/activities that are in season. However, if a student misses a school sponsored practice and/or game/activity the student will be subject to discipline measures deemed appropriate by that particular coach/sponsor. Intent to participate must be on file in the Activities Director office prior to the start of the season.
