Dear Dickinson School Board,

This letter is to express my interest in the upcoming opportunity to serve as a new member of the school board. Making a positive difference in our schools and community is something I strive to do. Along with my passion to make a difference, I will bring a positive attitude, and willingness to help our schools improve in all areas. As a mother of two boys that attend Dickinson Public Schools, a good education is a top priority in our family. I believe giving our children the best possible education is essential to their future.

I currently serve as a PAC member at Heart River Elementary, District PAC, and School Improvement Committee. I am hopeful you consider me for this available position and I look forward to speaking with you in the future.

Sincerely,
Lindsey Southiseng
