

School-Parent Compact

Dickinson Middle School

Each school receiving funds under Title I of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I activities, services, and programs. That compact is part of the school's written parental involvement policy developed by the school and parents. The compact must outline how parents, the school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards.

SCHOOL-PARENT COMPACT

The Dickinson Middle School and the parents of the students participating in activities, services, and programs funded by Title I agree that this compact outline how they will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during the 2022-2023 school year.
