

Dickinson Public Schools has recently upgraded our school notification system Alert Solutions to **SwiftK12**. To guarantee the notification system is used efficiently, we will need to confirm your contact information is accurate and up-to-date at all times.

SwiftK12 allows our school to send messages using phone, email and SMS text messaging. Emergency phone calls will be sent with 701-456-0002 as the caller ID number. You may want to add this phone number to your address book to help you recognize incoming calls from the school easily. Text messages will be sent from 995-38. **Please note you will not be able to reply to text messages sent from the school.**

SwiftK12 is integrated with the PowerSchool Parent Portal. If you log-on to the Parent Portal (We suggest you log-on using Chrome or Firefox.) you will now see a new link called **SwiftReach SwiftK12** on the left navigation pane under **Alerting**.

You will be able to see all the contact information our school has listed for you by clicking on the **Contact Information** button in the top navigation.

Home **Contact Information** Alert Preferences

Within the Alert Preferences section of the Parent Portal, you will be able to choose your communication preferences based on message category, such as School Closures or Attendance, as well as message type (email, voice and/or text message) by placing a checkmark into the aligned contact fields. You may opt-out of any message category **except for Emergency Messages**.

Date	Name	Description
12/12/2016	fffff	

Note: Setting up your parent preferences is your responsibility. You will receive messages to every contact field shown in Alert Preferences until updated in the parent portal. Tolls and charges associated with receipt of messages from the school are your responsibility and not the responsibility of the school. Please be sure to set your unique preferences if there are any numbers or addresses to which you do not like to be contacted. *To add or update phone numbers and/or email address, parents(s)/guardians(s) must contact the appropriate building administrative assistant.*

Emergency messages are always sent with all three message types (email, text, and voice calls) and to every contact field shown even if you have opted out. We cannot change this. Emergency messages will be labeled as such so you will know it is an actual emergency. This would include school closing due to inclement weather.

If you do not have access to log into the Parent Portal, you may contact your child's school directly to request changes or any additional questions.
