

# ***School Issued Device Policy 2019-2020***

Dickinson Public Schools will be providing Chromebooks for all 4th and 5th grade students to use at school. The focus of the 1:1 Chromebook program is to meet the needs of 21<sup>st</sup> Century Learners and increase student achievement by transforming teaching strategies and increasing student engagement. The Chromebooks will provide students the opportunity to become producers as well as consumers of information.

This is an exciting opportunity for our students but the use of technology resources is a privilege, not a right. Students and parents will be asked to read and sign their agreement to the following policy regarding responsible use prior to students being assigned a Chromebook.

Families are welcome to check with their personal insurance company about coverage.
