- 8-12/14 A free camp for 7th & 8th graders interested in **student congress** will be held at DHS. The camp will be held August 12th-14th. Student congress is NOT student council. It is an academic activity where students from around North Dakota debate each other on legislation that they select. This activity provides wonderful opportunities for leadership and the growth of soft skills like speaking and listening. Please email Mr. Amberg at namberg@dpsnd.org for more information about joining the team and attending the camp.

Physicals are required before student-athletes will be allowed to practice. Additionally, students are required to have nine practices before they are eligible to compete. Online registration for these activities will be available starting Aug. 1st.

Feel free to contact me with any questions regarding activities.

Respectfully,
