

TOBACCO USE VIOLATION PROCEDURES (PUBLIC)

Citizens who are observed smoking or using tobacco products on school district property shall be asked to extinguish smoking materials. If the individual fails to comply with the request, his or her violation of policy may be referred to the building principal or other school district supervisory personnel responsible for the area or program during which the violation occurred. The supervisor shall make a decision on further action that may include a directive to leave school property. Repeated violations may result in a recommendation to the Superintendent to prohibit the individual from entering school district property for a specified period of time.
