

**RELATIONS WITH ARMED FORCES RECRUITING UNITS**

The Dickinson School District will afford the same courtesies to the armed forces recruiting units as are afforded to other post-secondary educational and career entities. To minimize disruption to the educational environment, military recruiters will be subject to the same criteria and regulations as those developed by the Superintendent for college/university and career recruiters.

The Dickinson School District must comply with a request by a military recruiter or an institution of higher education for secondary students' names, addresses, and telephone numbers, unless a parent has "opted out" of providing such information. The Dickinson School District is required to provide an opt-out notice, and opt-out notification procedures are contained in the district's student educational records policy.
