

Wilkie report - 2018 NSBC - SAN ANTONIO, TX

I like to thank Dickinson Public Schools for giving me the opportunity to attend the 2018 National School Board Conference in San Antonio, TX.

There are several aspects of the convention that make it an exceptional learning experience. First, we are completely surrounded by like-minded people who are more than willing to share their experience and knowledge. Second, we are given the chance to direct our continued learning based on our interests and the abundance of training opportunities scheduled. Finally, it gives the board an opportunity to strengthen personal bonds and relationships.

Once again, thank you for this opportunity.
