Supporting our Students: 2019-20 Scholarships Awarded

Audrey Rodakowski— Jack Carlson Memorial Scholarship

Audrey will be attending the University of Jamestown this fall. She will be majoring in exercise science with a focus on physical therapy, with a minor in art. *"I am honored to receive the Jack Carlson Memorial Scholarship. Mr. Carlson's legacy and main goal was to make a difference in the lives of young people. After I graduate from college, I plan to make a difference by helping young and old people carry on their lives in a more comfortable way."*

Austin Raatz — Michael Callahan Hockey Scholarship

Austin will be attending the University of Minnesota-Duluth and pursuing a degree in Civil Engineering. *"The Michael Callahan Scholarship will help me pay for my education and focus on school. Hockey has always been an important part of my life. Growing up, I saw other hockey players receive the Michael Callahan Scholarship at the hockey club banquets. Throughout the years I've learned how significant the scholarship is, and I feel honored to have been chosen for it. I am extremely thankful for the opportunities hockey has given me and the new experiences this scholarship will bring me."*

Elexandra Penny—Ruth Lenz Memorial Music Scholarship

Elexandra plans to attend Dickinson State University and major in composite music education with a minor in leadership studies. *"Growing up, I always wanted to be a teacher, but I also had a deep love for music, so deciding to combine the two was the best decision I ever made. After I graduate, I hope to become a music teacher in a smaller town, where I may even be able to run theater and public speaking clubs. I just want to extend my deepest gratification to Mr. Lenz and his family for choosing me to be the recipient of such a great scholarship. This award will allow me to focus more on my studies during college."*
