Lake Tschida

by: Addie wax

Lake Tschida is my favorite place. Lake Tschida is welcoming, beautiful, and has great people.

On the water which is 3,235 acres wide and 58 feet deep, you can do many things you can fish, boat, jet ski, play on the beach, and do water sports. The water temperature varies from 85-60 degrees. There are people on the water but it is not too crowded. Another fun thing you can do at Lake Tschida is you can have campfires if there is no burn ban.

Lake Tschida is located in Elgin, ND. To add lake Tschida got its name from Michael Tschida Sr. born in Vienna, Austria, in 1866. He immigrated to the United States in 1890 settling in Mandan, North Dakota. In 1900, he moved to Glen Ullin.

To conclude Lake Tschida is a beautiful place where you can do many things, next time you go camping keep lake Tschida in your mind.

Youth needs more to do in Dickinson

By: Tolga Kilic

According to a poll on whether DMS students think youth have enough to do in Dickinson. Results show that youth do not have enough to do in Dickinson. Youth only have like 3 things to do in Dickinson. The rec center, The ice rink, and nerf war.

I am going to make a petition to get 1000 signatures so we can get or to do in Dickinson for youth. If you would sign my petition go to the Schoology group and vote on the poll.

Tolga Kilic

Do you think youth have enough to do in Dickinson other than sports?

Little sis

My favorite thing to do on the weekend? I like to be a little sister. That includes going to your brother's games, It was a sunny evening and my mom picked me up from volleyball practice and we arrived at the game. We were winning by 12 points. We were playing against Watford City. The scoreboard screeched seconds after my brother scored a touchdown. A couple of minutes later we were 10 points above them. sports is like a tradition in my family, it runs in our genes. Everyone always does sports we are all really good in my family. My brother does so good he is going to get a scholarship for football and baseball. My brother is on JV AND Varsity.

Hunting Isaac Billadeau

Hunting season is just about to start for adults or mentor tags, but the youth season already ended. Hunting is really fun especially when you shoot something for the first time. If you've ever shot a deer or any other animal, it feels amazing and you can now know what it feels since you shot a deer. or any other huntable animal. Trying to shoot a deer takes a lot of time, patience, and quietness. There are two types of huntable deer, the first one is the mule deer, the mule deer is easy to hunt especially since it is not so jumpy and skittish. The second type of deer is the whitetail deer, which is very jumpy and skittish around loud noises and has very good ears. To shoot these deer, most will start running when they see you, 300 to 400 yds are where you normally would shoot any deer; What you can see when hunting is many trees and open landscapes wherever you hunt. Good places to hunt would be out in the country, gaining access from people you know who live in the country. The best time to hunt is either in the morning before the sun sets or when the sun is setting in the afternoon. The sun rises around 7:00 am and sets around 6:30 pm.

Best football equipment

Some of the best cleats for football to have in 2022. One of the best are the Nike Vapor Untouchable Pro 3. These cleats are some of the best cleats because, they are comfortable, They are flexible, light and are good for speed. These cleats range from one hundred dollars to two hundred based on your size. But are worth the price.

Another Football Cleat that has good value is the Nike Vapor Edge Pro 360. It is a very comfortable cleat can cost from \$90-\$120. They fit true to size, they are also light, and are stylish. They have good technology and are not very expensive for cleats.

2022 SINGAPORE GRAND PRIX

The Singapore Grand Prix is full of sharp turns and 2 long straits with DRS and 2 short straits without DRS. This race is good at testing drivers g capacity with all the sharp turns. The expected winners are Max Verstappen in 1st Sergio Perez in 2nd Lewis

Hamilton in 3rd. From last race we might see something crazy again. The weather during the race should be in the 70 to 80 Fahrenheit or 21 to 26 Celsius with a low chance of rain. With all the corners it should be a good race.

WHAT IS F1

F1 also known as Formula One is an extreme car racing sport. There

There are 12 teams competing in something called the Constructors Championship. The most popular teams are Red Bull, Mercedes-AMG Petronas, Ferrari, and McLaren. Some of the other teams are Haas F1 team, Alpine, Renault, Williams, Scuderia Alpha Tauri, Aston Martin, and Alfa Romeo. Since 2021 every team has had a budget

cap so teams can't out-spend each other. Each year the FIA (Fédération Internationale de l'Automobile or the International Automobile Federation) mandates new designs like the hubcaps on this year's cars or the wings over the tires also on this year's cars. There's a lot of strategy involved in the sport, such as pit strategy, passing strategy, tuning strategy like camber aerodynamics, suspension stiffness, and stuff like what parts to build over the season.

HOW TO WIN A F1 RACE

To win a F1 race or any race in general you have to now get fast lap times. For any race you have to follow the racing line or the fastest path to follow. How it works is when you enter a corner you go to the outside then inside and then outside again. The reason this is what it is because you can still floor it but also not spin out or crash or get a penalty

There are some downsides to this. This is theoretical or when there's no car in the way.

In reality there are going to be cars that are in the way. The actual fastest path is passing those cars but you need a certain line for that. One way of passing a car is going inside and braking late. This is a really good passing strategy because there is only one thing that the driver in front can do. Get off the racing line and go inside enough so that you can't pass. If you have enough room then go back on the racing line because they will be distracted trying to not let you pass so they won't notice. then you just passed someone.

HOW A F1 CAR WORKS

To understand how a F1 car works we have to understand how a normal car works. A car works by putting gas in a cylinder with air igniting it with a spark plug pushing the piston down spinning the crankshaft transferring that power to a transmission that transfers it to the drive shaft then the differential and then

the wheels moving the car. A F1 car is similar to this but has a couple crucial differences.

Such as the hybrid system helping spin the crankshaft. Another thing is the turbo. Unlike you or your parents car which is most likely naturally aspirated. A F1 car has forced induction meaning you can push more air in the cylinder. The air to fuel ratio is very important in the journey of making more power. For the most power you should have an air to fuel ratio of 14.7/1 most cars run at 14.7/1 a F1 car runs 14.7/1 this leads to more hp another thing is aerodynamics. A normal car can produce 0-300lbs of downforce. A F1 car produces up to 3306lbs of downforce. This is important because your cornering speed is dramatically different. The last thing is weight. A normal car weighs about 3200lbs a F1 car weighs 1752lbs. This matters because you get better acceleration.

PIZZA RANCH VS. DOMINOS

Pizza ranch is one of the best sit-in pizza places in town with a rating of 4.1. Dominos is the best delivery place with a rating of 4.2. Pizza ranch is located by Walmart. The dominos locations are 401 Villard St W and 237 14th St W.

If you have 20 dollars and you are by yourself you can get more food then you can at Dominos.

THE SERVICE

The service at dominos is good. They don't have that long of a wait time and they know what they are doing. Pizza ranch also has good service. There might be a line to pay, but most of the time there isn't.

INSIDE PIZZA RANCH

You go through the front doors and there's a short hallway. Once you get to the cash register you tell them how many people are there and their ages.

You will get cups. If you look to your right the buffet (bəfā) is right there. After you get your drinks find a seat. You will find it to be noisy, that is because of the play area. once you place your drinks down go grab a plate and get your food.

TASTE OF PIZZA OVERALL AT BOTH PLACES

The taste of pizza from dominos has just the right amount of sauce and cheese. The pizza at pizza ranch has not that much sauce and cheese but the dough is good. At Pizza Ranch, you can order a pizza of your choice but will add to your cost. If you want some of the best bite-size breadsticks get the parmesan twists they taste delicious.

HOW TO MAKE YOUR OWN PARMESAN BITES

For the pizza dough, use simple store-bought refrigerated pizza dough. It works perfectly every time. However, if you want to make your own pizza dough, that's wonderful! Go for it! So make your own favorite pizza dough recipe or grab store-bought, either way, works.

1. Place your 1-inch bread bites on a baking sheet sprayed generously with nonstick cooking spray. Now is where we start infusing that delicious garlic butter flavor!
2. Brush each unbaked bread bite with garlic butter and sprinkle with parmesan cheese (use any type of parmesan, the green bottle, or a fancy version, it's all delish on these). They'll get more of both when they are done baking.
3. Bake the parmesan bread bites at 375 degrees F. for about 15 minutes. This might vary between 12-17 minutes, so **watch the oven carefully**. You don't want to over-bake these bread bites or they'll be hard
4. While still hot, brush each baked parmesan bread bite with another coating of garlic butter (the good stuff!!) and generously top each bite with grated parmesan cheese.

To help the grated parmesan cheese stay put on the bread bite, add the grated parmesan right after you brush it with garlic butter. The warm butter helps the parmesan cheese stick to the bread bite. Work in batches, brush a few, top with cheese, repeat.

LINGERING QUESTIONS FOR ALL 32 NHL TEAMS HEADING INTO TRAINING CAMP: GOALTENDING, LINEUP, INJURIES, MORE

IT DOESN'T SEEM THAT LONG AGO WHEN THE COLORADO AVALANCHE WON THE STANLEY CUP, THEN EVEN MORE RECENTLY JURAJ SLAFKOVSKY WAS DRAFTED FIRST OVERALL IN A WILD OFFSEASON THAT BROUGHT JOHNNY GAUDREAU TO THE COLUMBUS BLUE JACKETS, CLAUDE GIROUX TO THE OTTAWA SENATORS, AND MATTHEW TKACHUK TO THE FLORIDA PANTHERS.

PENGUINS . VS . ISLANDERS

THE PENGUINS VS THE ISLANDERS WAS A MASSIVE FIGHT THAT BROKE OUT BREAKING RECORDS FOR BOTH OF THE TEAM'S MOST PENALTY MINUTES IN HOCKEY HISTORY. THIS INCIDENT HAPPENED IN THE NASSAU VETERANS MEMORIAL COLISEUM UNIONDALE, NEW YORK, UNITED STATES FEBRUARY 11, 2011. THE BRAWL STARTED WHEN GILLIES ELBOWED PENGUINS FORWARD ERIC TANGRADI IN THE HEAD. THEN TANGRADI FELL TO THE ICE AND WAS CONTINUALLY PUNCHED. THE FIGHT WAS FILLED WITH A BUNCH OF CHEAP SHOTS, A LOT OF BLOOD, AND WHINING. THE UNFORTUNATE PART OF ALL OF THIS IS THE FACT THAT PITTSBURGH PENGUINS ANNOUNCERS PAUL STEIGERWALD AND BOB ERREY, ALONG WITH PENGUINS HALL OF FAME OWNER, MARIO LEMIEUX, ONLY WANTED TO RECOGNIZE SOMETHING THEY HAVE SEEN ON MOST NIGHTS WHILE WATCHING THE PENGUINS, DIRTY PLAY. BUT BETWEEN A 9-3 ISLANDERS ROUT OF THE PENGUINS, THERE WERE A TOTAL OF 346 PENALTY MINUTES HANDED OUT BY THE OFFICIALS. THIS GAME WAS A THROWBACK TO THE '70S AND 80'S DECADES OF THE NHL. THE REACTION BY THE ISLANDERS SHOULDN'T HAVE COME AS A SURPRISE TO THE PENGUINS, THEIR FANS, OR THE NHL. THE TEAM HAS FELT THAT THEY DON'T RECEIVE THE SAME RESPECT OTHER TEAMS DO IN THE LEAGUE. JOHN TAVARES CONSTANTLY TAKES SHOTS TO THE BACK, SLASHES TO THE KNEES, AND GETS ROUGHED UP IN THE CORNERS, WHILE THERE IS NO PENALTY CALL. THIS HASN'T HAPPENED TO JUST TAVARES, BUT TO EVERY PLAYER ON THE TEAM AT SOME POINT OR ANOTHER.

I surveyed 60 kids so far and 53% liked slither.io and to be honest I don't really get it but I will still write about it. 23% liked other .io games I didn't include all because the list would be too long but I do get this one. 5% like Agar.io I love Agar but it seems like others don't feel the same. Not Last but at least 1% liked Mope.io now it is an evolution game and I get it but it isn't my go to io game. Last but not least 16% liked Hole.io now yes it is a fun game and I will do an Article on this and Slither

SLITHER.IO IS A GAME WHERE YOU ARE A SNAKE IN A MAP THAT YOU CAN EAT LITTLE PELLETS THAT WILL NOT ONLY MAKE YOU BIGGER BUT LONGER AS WELL. IF YOU GET BIG ENOUGH YOU CAN CIRCLE PEOPLE AND IF THEY HIT YOU THEY TURN INTO GLOWING PELLETS THAT WILL GIVE YOU MORE MASS AND YOU CAN BOOST BUT IT COSTS YOU YOUR MASS.

HOLE.IO IS A GAME WHERE YOU START AS TINY LITTLE HOLE THAT CAN ONLY EAT A FEW THINGS BUT AS YOU PROGRESS YOU GET A SIZE UP AND. YOU CAN EAT A LITTLE MORE AND THE OTHER PLAYERS ARE TRYING TO GET BIGGER AS WELL AND, IF THEY EAT YOU YOUR OUT THE GOAL IS TO BE NUMBER ONE ON THE LEADERBOARD WHEN THE TIME RUNS OUT THE ROUND IS OVER.

THE NICEST LOOKING MIDDLE SCHOOL FOOTBALL FIELD BY WYATT TURNER

I did a survey on which football field is the best looking and 55.00% of 40 people voted for Dickinson's football field and 10.00% of 40 people voted mandan. And 35.00% of 40 people voted for another football field.

I think that dickinson has the best football field because of the track that surrounds it.

But i would like it if our grass looked like mandan's field. Green grass would also make the football field look more like a field instead of yellow grass and dirt spots.

MIDDLE SCHOOL FOOTBALL BUS RIDES

BY WYATT TURNER

Bus rides can be fun and they can also be boring for dickinson. If it's a short bus ride you can't have your phone out but you can talk to your teammates or sleep and you get back earlier than longer bus rides.

Longer bus rides can be fun because you can have your phone and listen to music. Talking with teammates makes it a better bus ride and you will probably stop on the way back. On a long bus ride but short bus rides you probably won't. You stop at many places some are gas stops and some are restaurant both are fun.

ANSWER

DO NOT VAPE, SMOKE, OR ANYTHING ELSE LIKE THAT IT'S NOT COOL OR HEALTHY!! The chemicals inside vapes and cigarettes are very dangerous. Vaping can harm your heart and lungs. The side effects of vaping are coughing, dry mouth and throat, shortness of breath, mouth and throat irritation, and headaches. Do you feel like vaping after hearing all of this? If yes then here's some more about vaping. Vaping is just as addictive as normal Cigarettes. The signs that you are addicted to vaping are strong cravings, irritability, difficulty concentrating, anger, and finally insomnia. Insomnia is difficulty falling asleep and daytime drowsiness. The dangerous chemicals that are in vapes are ultrafine particles that can be inhaled deep into the lungs, and flavorings such as diacetyl. Diacetyl is a chemical linked to serious lung disease. Volatile organic compounds. Finally, heavy metals such as nickel, tin, and lead. Volatile organic compounds are gases that are emitted into the air from products or processes.

CONSEQUENCES OF VAPING

The consequences of vaping can be terrible. If you are, caught vaping in schools, they may confiscate the vape, notify your parents, investigate, they might search you and your backpack, and finally, they may require you to attend an anti-smoking or anti-vaping class. An anti-vaping class is made to teach young people and adults the dangers associated with vaping, e-cigarettes, and JUUL. Getting addicted to nicotine can make it harder for teenagers to focus and concentrate. The student may end up failing their classes because of vaping.

crop tops and jeans

by: jazara roberts

this is something all girls like to wear because it is cute but you want know what i think i think that there just not it but only some of them like it's just my opinion but don't get me wrong but sometime we can't experrese our self beacause of school dress code and i understand but the school dress code can be dumd because some just don't make sense like at some school don't

allow ripped jeans and personally i would not go for it but thats just me.

but i say the best way to get way with wearing a crop is to

in school is to wear a thin tank top under it, it helps.

so like ripped jeans and you like ripped jeans so talk about it

because some jeans are expectable and some not

like baggy jeans were vald in the 90's but now there on

expectable like it 2022 it's about to be 2023 there no way

you should be wearing baggy jeans but if you wear baggy

jeans just go off the grid.

THE COME BACK

so if you like style and your not sure about just look at magazine or these pages and you got you answer.but girl are not the only one that wear a crop top, back then boys were wearing crop tops like in the 80's and some boys still wear them today but have of them are gay and some but i think crop tops are for everyone. and i think every gender can wear them cause there fashionable.

ripped has been popular sines 1980s and been loved sines then and every has been made with rips like shorts have rips even shirts, jean jacket every thing was rips in it but im not complaining like it it's fashionable. man and women can were ripped jeans and ripped anything but along as it cute and have style.

WINTIER FASHION

by: jazara roberts

before you know it winter will be there and we need to dress warm but with fashion. so no more shorts, ripped jeans and crop tops just winter clothes. i don't really know if there's going to be a lot of snow or not but i do know you need a cute winter jacket something puffy. puffy jacket kept you warmer and you

can wear them with anything and get a camel or black jacket so you can wear any color you want with it and for your pants try wearing jeans or sweatpants anything but shorts but if you're in the house it's ok but these are some things to wear in the house like christmas pj or shorts and a normal shirt just something to set the feeling and i know does not have enough money to keep up with the latest trends but it's not about the money

**it's about your style and what you like
but keep it PG13 that means dress your age
and cute im just put it like that so dress
nice and not like it's summer, dress wintering
like a snow suit of just some long pants and
a thick jacket and now you look like you're
going outside.**
