This card is required to compete in sanctioned events and covers insurance for the Wrestling Club along with secondary coverage for participants during practice and sanctioned competition.

Wrestlers will not be allowed to practice until they have been registered, U.S.A cards issued, and deposits have been received!

PLEASE REMEMBER TO BRING TWO DEPOSIT CHECKS TO THE PARENT MEETING ON JAN 22nd as well as a copy of the U.S.A Wrestling Card.

1) Uniform Deposit: Please include children's name(s) in the memo line.

We require a **\$100.00 per singlet** deposit. We will hold your deposit check until the uniform is returned in good condition. **All uniforms must be returned by the year end banquet. ANY UNIFORMS NOT RETURNED BY THE BANQUET WILL HAVE THEIR DEPOSIT CHECK CASHED.** Uniforms will be handed out prior to the first tournament. Also, we have various sizes of wrestling shoes available to rent for the season for \$5.00. We will bring them to the parent meeting and first few wrestling practices.

2) Tournament Deposit: Please include children's name(s) in the memo line.

We require a **\$150.00 per family** deposit check. This check will be returned to you if a family member works a FULL shift at our home tournament. (March 9th, 2024)

The Dickinson Wrestling Club does not want to turn any wrestlers away due to financial constraints. Youth scholarships are available to assist with your fees. Please contact Mat Meyer for more information.

Dickinson Wrestling Club provides the best coach-to-wrestler ratio in the state; each child will receive quality one-on-one time with the coaches. We look forward to working with your family to promote wrestling throughout the season.
